MEMORANDUM FOR: Director of Training

SUBJECT: Special Operations Familiarization  
Course - 24 - 28 June 1968

1. I would like to express my appreciation for the excellent cooperation your Office extended in presenting the subject course. As the attached excerpts from the student critiques show, the course was exceptionally well received and considered to be highly useful. In addition, our discussions with the students revealed a much enhanced appreciation of the importance of good security as a result of the counter intelligence presentation. It is clear that this part of the course was especially instructive.

2. The high quality of the instructors and guest speakers is particularly noteworthy. [REDACTED] deserves special recognition for the outstanding manner in which the course was organized and presented. His broad experience and knowledge of clandestine activities enabled him to answer many of the questions that arose outside of the regular classroom routine.

3. May I request that a similar course be scheduled for January 1969 or as soon thereafter as possible? While [REDACTED] would be an acceptable location, I believe [REDACTED] is more suitable for this type training and would prefer to have the course presented there. As in the past, it is expected that a total of 20 students would attend.
